

## Signature paper drop off instructions

1. Make sure the name of the city/town is written in the three places (one on the front, two on the back) on the petition, even if there is only one signature on the petition. Be very careful that the sheet is for the city you think it is—e.g., make sure Malden isn't mixed with Medford, as the Malden clerk will simply discard Medford papers—they won't call you to come get them to the right place.
2. When you give the papers to the clerk at town hall, make sure each paper is time-stamped or date stamped **in front of you in the registrar box, by the clerk, before you leave.**
