

BULLETIN ANNOUNCEMENT:

With the passage of the ROE Act (Remove Obstacles and Expand Abortion) last December, Massachusetts is now among the most pro-death states in the country having **removed** the existing state law mandating lifesaving medical care to be administered to a child who survives an abortion performed at or after 24 weeks of pregnancy. The Massachusetts Newborns Protection Coalition is conducting a fall statewide signature campaign to place a question on the 2022 ballot **ensuring** life saving medical care for babies born alive after such a botched abortion. If you believe that every newborn in MA deserves this common sense life-saving protection, please assist in helping to collect signatures in the coming months after all masses outside of the Church on the weekends of October 2nd & 3rd and November 6th & 7th. Please contact Kathy Parsons at 781-910-7682 if interested to help. Thank you very much for helping to protect the most vulnerable among us.

**Abortion destroys the smallest and most helpless members of the human family. We, as Catholics (Christians), are called by God to protect his precious gift of Life.*

PULPIT ANNOUNCEMENT:

With the passage of legislation last December, Massachusetts is now among the most pro-death states in the country having *removed* the existing state law mandating lifesaving medical care to be administered to a child who survives an abortion performed at or after 24 weeks of pregnancy. Members of the Massachusetts Newborn Protection Coalition are outside today collecting signatures for those who wish to sign in order to place a question on the 2022 ballot **ensuring** life saving medical care for babies born alive after such a botched abortion. Thank you very much for helping to protect the most vulnerable among us.
